

# Social Entrepreneurship and Migration: Opportunities and Challenges

**Open seminar, panel discussion, and Q&A on November 2nd, 2015 from 16.00–18.00**

**Aalto School of Business,  
Main Building, Runeberginkatu 22**

Like most European countries, Finland is facing an unprecedented inflows of migrants. To what extent can social entrepreneurship complement traditional forms of charity and volunteer work? What are the particular challenges of founding and running a social enterprise?

To discuss this timely topic, we have put together an open seminar, featuring two distinguished guest speakers from UK, a country with more than 70 000 social enterprises. The presentations are followed by a panel discussion and Q&A from the audience.

This seminar is aimed at aspiring social entrepreneurs as well as members of NGOs, the government, and private companies.

*Please sign up for the free seminar by October 26th at <http://biz.aalto.fi/events>*
